

During game play, pressing the S key, or holding the joystick to the right will display the word "FREE": scrolling will stop when the Time clock reaches the next hour mark. Then select which Zone you wish to enter, using the controls above.

IMPORTANT:

You have a 24 Hour Time Limit to complete the mission: see clock at the top of the screen. Gain time by hitting the fuel pods or the oil barrels. Loss of Time to complete the mission is your greatest penalty.

CASSETTE LOADING INSTRUCTIONS:

Type LOAD and press RETURN.

Program will load and run automatically.

CONTROLS:

A joystick, in Port Two, is recommended, but the following keys can be used:

UP: Return Key.

DOWN: Shift Key.

LEFT: A Key.

RIGHT: S Key.

FIRE: Space Bar/Joystick Button.

To commence play, after a Zone has been selected using the Shift Key: press the A Key, or move the joystick to the left.

HAZARDS

HAZARDS:

After every five collisions, a TIMESLIP occurs, shifting the Time clocks in all three Zones.

ZONE STATUS:

'FROZEN': Zone is frozen in Time.

'SELECT' (flashing): Shows which Zone will scroll when play commences.

'LOCKED': Displays Zone actually in play.

'FREE': Zone will stop scrolling at the next hour mark on the timer.

IMPORTANT:

You have a 24 hour time limit to complete the mission: see clock at the top of the screen. Gain time by hitting the fuel pods or the oil barrels. Loss of time to complete the mission is your greatest penalty.

ATARI 800

CONTROLS Use joystick port 1.

During the TITLE SCREEN display, hit any key to go to the OPTIONS SCREEN. Use the SELECT and OPTION keys to see the briefing and choose your skill level, then press START/joystick button to commence play.

To commence play, after a Zone has been selected hit the SPACE BAR. During game play, hit the SPACE BAR and the word 'FREE' will be displayed: scrolling will stop when the Time clock reaches the next hour mark...

Then select which Zone you wish to enter, using the joystick, then hit the SPACE BAR.
